Galerie Mirchandani + Steinruecke, founded by mother-daughter duo Usha Mirchandani and Ranjana Steinruecke, turns 10 in November. The gallery is celebrating the occasion with an exhibition titled 'Dwelling' by noted curator Ranjit Hoskote. The title of the show comes from the seminal essay 'Building Dwelling Thinking' by German philosopher Martin Heidegger, which concerns itself with the subject of belonging. Atul Dodiya, Aji VN, NS Harsha, Nicola Durvasula, CK Rajan, Gieve Patel, Sudarshan Shetty, Siji Krishnan, Sosa Joseph, Anita Dube, Varunika Saraf and Tanya Goel are participating in the show with works that raise questions related to Heidegger's inquiry, such as the concepts of building, neighbourhood, community, locale, and accommodation. *'Dwelling' opens on 10 November 2016 and runs until 10 January 2017.*

Contributing to happiness is the most demanding of tasks.

Sometimes by anticipating the times - and being ready with the products - long before you need them. And by seeking ways to make your life a little more comfortable, convenient and healthy. That is why our gamut of products is as diverse as cooktops, smart valves, pressure cookers, microwaves, pelleters and cleaners, textiles, convenience foods, innovations, bio-medical devices and kitchen ware.
